UNFORTUNATE AND SAD AFFAIR.

Just after we went to press, on Friday last, the news came to this city that Mr. John Meagher, Jr. (son of Mr. John Meagher, of this city), had, while involved in a difficulty with W. J. (Jady) McNamara, in Lexington, shot and killed him.

From the evidence it was clearly a case of self-defense.

Young Meagher was arrested and held over until Monday, when he had his examining trial and was bound over in the sum of \$600, which he readily gave and was released.

McNamara was a desperate man and had been a source of trouble to his family and the authorities for a long time, and the city of Lexington is none the worse off now that he is gone.

The sad part of it is the added sorrow to his aged mother and other relatives: and the still further sadness that the life of young Meagher will always be shadowed by this trouble, even though he was clearly justifiable.

Mr. John Meagher, Sr., went to Lexington, Monday, and after the trial, brought his son home with him. The sympathies of our citizens go out to them in their troubles.

HEADQUARTERS OF FRANKFORT COMMANDERY.

On Board the Steamer Falls City at Louisville Next Week.

Frankfort Commandery, No. 4, Knights Templar, will attend the Conclave of the Grand Encampment of the United States at Louisville next week, and during their stay in that city will be quartered on board the Steamer Falls City, where they have established headquarters. The boat will be tied up at the foot of Fourth street, which will put the Sir Knights within two blocks of the building where the grand ball is to be given and only a few blocks away from their position in the line of the grand parade, which forms upon Main street Tuesday morning. The commandery will be represented in the procession by about forty swords, some thirty odd going from this city and ten or a dozen members of the Commandery going from Lawrenceburg.

BUYS A BRANCH LINE.

The Shelbyville, Bloomfield & Ohio Railroad, which runs from Shelbyville to Bloomfield, Nelson county, was sold by its owner, Hon. P. Booker Reed, of Louisville, on Monday, to the L. & N. railroad. This road is 27 miles long and has been run as a feeder to both the L. & N. and the Southern. The price paid was \$150,000, subject, of course, to the bonds heretofore issued.

VERY ENJOYABLE.

Rev. W. C. Taylor, D. D. of Indianapolis, Ind., preached at the First Baptist Church of this city, on Sunday morning, from the text "All things shall work together for good to men that love God."

It was a tender and powerful declaration of the gospel of cheer and hope to the despondent and of courage to the soldier of the cross.

There was a fine audience in attendance, in consideration of the fact that the rain poured down in torrents just before time for service and while it was in progress.

On the evening of the same day Rev. W. E. Gwatkin, of Troy, Ohio (formerly pastor of Evergreen Church, this county), preached a magnificent sermon from the text "Whatsoever ye do, do all to the glory of God."

There was a large audience present, and the brilliant and able preacher held them as still as death from beginning until his solemn peroration, in which he exhorted every one to let the right and God's glory be their guide in religion, business and politics.

It is seldom that a people have the great privilege of hearing two as fine sermons, from different speakers, which so perfectly fitted in and dovetailed the one to the other.

The congregations present greatly enjoyed the ministrations of these brethren, who are so universally beloved in this community.

DEATH OF A FORMER FRANKFORT LADY.

By a dispatch from Louisville we learn that Mrs. Julia Smith Webster, widow of Rev. Thos. Butler Smith (and daughter of Col. D. Howard Smith,) died at the family residence on Broadway street in Louisville, on Monday.

Mrs. Webster was a handsome young girl, when she lived here, and was loved by all who knew her.

She leaves one daughter (Miss Margaret Webster) several sisters and two brothers besides host of friends and relatives to mourn her death. She had been in poor health for about a year.

She was a gentle, consecrated Christian woman.

The burial took place in the Lexington cemetery on Wednesday last.

NEW INVENTION.

Mr. James O'Connell, Sergeant-at-Arms of the Court of Appeals, is the inventor of a metal tug, which he is having manufactured and put on the market. Mr. O'Connell obtained a patent on his invention about a year ago. This tug takes the place of the leather tug, is easily adjusted to the shaft, and being cheap and durable will commend itself to those who use harness. The Adams Express Co. is answering a proposition to use it on all the harness owned by that big corporation. This looks like Mr. O'Connell has a good thing, and we congratulate him.

There was a fine crowd out at the Y. M. I. picnic on Wednesday.

Owing to the inevitable rains at noon, which seems always to come whenever this society gives a picnic, the pleasures of the day were somewhat marred. The afternoon and evening were fine and the crowd was considerably increased.

MY HEART IS THINE.

My heart is thine, but, oh!
I strive in vain
To bring my thoughts to know
The higher plain.

A flash, and then 'tis gone—
The Holy Light—
A glimmer of the dawn,
Then sudden Night!

The visage of the Good
Is marred with dust;
I love not as I would,
But as I must.

FRANKLIN ASSOCIATION.

This venerable body of Baptists met at the North Fork Church, at Switzer, this county, on Wednesday last, and continuing two days.

Every one of the sixteen churches, with the exception of Suth Benson, was represented by a full delegation.

Dr. U. V. Williams was elected Moderator, Mr. Ernest R. Jones, Clerk, and Mr. Clark Lee, Assistant Clerk.

The reports from the churches showed a very gratifying increase in the membership by conversion and baptism, the church in this city leading with 54 additions in that way.

There were over 2,000 people present the first day, and not quite so many the second.

The good people of the church and neighborhood had an abundance of every thing good to eat,

Eat and Run.

There isn't a man who would be seen running through the street munching a piece of pie. Why not? Because it would mean dyspepsia and stomach trouble? Not at all; but because it wouldn't look well. As a matter of fact, a man who snatches a lunch in such a hurry that he might as well take it on the run. That is one reason for the prevailing "stomach trouble" among men of business.

There is a certain remedy for disease of the stomach and other organs of digestion and nutrition. It is Doctor Pierce's Golden Medical Discovery. The worst cases of dyspepsia and catarrh of the stomach have been cured by this medicine. It cures where all other means have failed to cure.

* took two bottles of Dr. Pierce's Golden Medical Discovery for stomach trouble, writes Clarence Barnes, Esq., of Taylorsport, Loudon Co., Va. "It did not cure me, but I did not take any more. I can eat now, and I know how to thank you for your kind attention. I wrote to you a whole lot of things before I wrote to you again.

gentleman told me about your medicine, and I have never regretted it. I had cured his wife, I am now glad to say. I am now glad I did, for I have done it for the last 10 years. I have done it if I had not done it for the last 10 years. Dr. Pierce's Golden Medical Discovery.

Doctor Pierce's Pleasant Pellets cure biliousness. They stimulate the sluggish liver, and cleanse the system. They should always be used with "Golden Medical Discovery" when there is need of a laxative.

the long tables set under the shade of a row of trees along the pike, literally groaning under the weight of substantial and delicacies.

All proper precautions had been taken for the maintenance of good order and the keeping away of all disorderly persons. Every thing was done quietly and in order.

Rev. W. C. Taylor, D. D., formerly of this city, but now of Indianapolis, Ind. (in the necessary absence of Rev. M. B. Adams, who was to have preached the introductory sermon), preached a strong and eloquent sermon from the text "And ye shall know the truth, and the truth shall make you free."

Memorial resolutions were adopted setting apart a page in the minutes to commemorate the twenty years service as Moderator of the body, Col. Thos. Rodman, sr. Tender and appropriate remarks were made upon same.

Taken in every way this was one of the best meetings ever held by this body of 3,800 Christian people, and this was largely due to the effective work of Rev. Wm. McMillan, the pastor, and a committee of brethren of North Fork Church.

The place of meeting next year was left with the Association Board, to be made known next May.

ZILPAH.

Health good. Not many on the sick list. Among the number is Mr. Burton Duncan, who is confined to his room at present.

Among the visitors are Mrs. Sarah Moore, who returned from a visit to her son, Mr. G. D. Moore, near Eminence, this week.

Mr. Wilson Moore, wife and Miss Iva Moore, were at Shelbyville Friday shopping.

Mr. T. J. Perkins, tobacco agent, near Shelbyville, was in our community Saturday looking after shipments of the product to his house.

Rev. J. H. Pence was the guest of Mr. C. W. Perkins and family Monday.

Mr. C. W. Perkins and Mr. Dennis Cook were in town this week on business.

Mr. George Bright and family were the guests of Mr. W. B. Moore and family Sunday.

Mr. W. B. Moore, wife and son, Master Clay, were the guests of Mr. Vick Gordon and family, near Eminence, one day the past week.

Miss Mattie Phillips and her brother were the guests of Miss Addie Moore Sunday.

It is said there will be a wedding in our community in the near future. If there is any thing in appearances, the rumor surely will be true.

Mrs. Ed. Duncan, daughter and son, of Bridgeport, visited friends at Warsaw Friday. Guess the preacher thought to gain

favor of the old folks by remaining at home and assisting in the cooking. That's right. Be useful as well as ornamental.

We guess J. B. M. will get all the way this time. It appears he has made a trade with the preacher to tie the knot by loaning him the use of his buggy. He is a sly coon, you bet.

Mr. Arthur says M. P. and A. M. are initials that will bind the contract. The future will prove all things.

The two weeks meeting at Lebanon, conducted by the pastor, Rev. Mr. Johnson, and assisted by Rev. John Shaw, closed Saturday night with quite a number of additions. Baptism was administered to fourteen candidates Sunday morning at 10 o'clock, at the old stand on Six Mile, known as Stivers Mill, by the pastor.

CLOSE OBSERVER.

CHOATEVILLE.

Mrs. Humphrey and granddaughters will leave for their home in Louisville Monday, after an extended visit to relatives in this vicinity.

The Rev. Thos. Lennox preached last Sunday to a large and attentive congregation. The church is newly painted, and the minister hopes soon to have it papered.

Mr. George Dennis, we are glad to say, is able to be out. He made a visit to Frankfort last Wednesday.

Mr. Alexander Sargent, who dislocated his shoulder last Monday a week ago, by slipping on a banana peel, is very much better. He will return to Louisville to-day after a ten days' visit to friends and relatives in this community. His wife and son will accompany him home.

Mrs. Bettie Dennis, who has been sick, is much improved.

A daughter was born to Mr. and Mrs. Maurice last Wednesday and lived but a few hours.

[Delayed letter.]

The smithy at Bryant Station has closed, consequently the Station has assumed a quiet appearance.

There was something near a storm struck the home of Mr. Terrell Mitchell last Saturday evening, and lasted until Sunday afternoon, in the form of Miss Prudence Browner, Miss Mittie Mitchell, Mr. V. B. Fullam and Mr. C. J. Chinn and wife.

Born—July 26th, to Mr. Curtis Young and wife, of Lawrenceburg, Ky., a fine girl—Rosa Curtis.

We wish to warn those who have their mail sent to Bryant's store that there are some who are so meddlesome as to look through the mail, opening and read letters and then circulate the contents within the neighborhood. Is not this a shame and disgrace to any community to allow such an offense to go unpunished, when there is a law to punish such a cowardly act? As Mr. Bryant is an honorable, upright gentleman, we wonder that such conduct is no more carefully looked after, but, since the intruder is of the opposite sex, it is certainly embarrassing, but we trust that a word to the wise may be sufficient.

Mr. Eugene Bryant and family, of Zilpah, spent Sunday with the family of Mr. D. Bryant.

Miss Cora Sudduth has returned from a two weeks stay with relatives near Dry Ridge. She seemed to enjoy the visit nicely, and also seems somewhat improved in health. We share in congratulations.

Well it is a disgrace to see such a long face as Mr. Rufus Bryant is wearing at present. There is no need of losing, old boy, even if Miss Clarke is in Woodford. We see that her thoughts are constantly wandering to the time when she will greet you, for of course absence makes the heart grow fonder.

There are a number of our people who are trying around in quest of work, but never finding any. We are of the opinion that the most of them will locate in the city the first chilling frost of November comes.

We should very much like to know what has become of poor Molly Yocom, as we have not heard any thing lately from her fluent pen. We presume she has gone to a cooler and more fertile clime. If such is the case we sincerely hope she will return when the zephyr breezes of autumn fan our brows, and those calm and peaceful days come around.

Mr. Selbert Moore and his best girl spent Sunday in Bagdad, the guests of Mr. James Whitman and wife. We suppose Miss Katie rode the mule while Selbert walked in front. Well that was a capital idea. There was no danger of a smashup.

Well, we will close by adding that we would be ever so pleased to have a good rain, as the crops are looking thirsty indeed, while water is getting scarce for both man and beast, but we trust that

our Heavenly Father has not forgotten us entirely, and that those who are looking to their crops as a means for a heavy debt may be provided for.

STAR EYES.

THEIR SERCET IS OUT.

All Sadieville, Ky., was curious to learn the cause of the vast improvement in the health of Mrs. S. P. Whittaker, who had for a long time, endured untold suffering from a chronic bronchial trouble. "It's all due to Dr. King's New Discovery," writes her husband. It completely cured her and also cured our little granddaughter of a severe attack of whooping cough. It positively cures coughs, colds, la grippe, bronchitis, all throat and lung troubles. Guaranteed bottles 50 cents and \$1. Trial bottles free at J. W. Gayle's.

WENT BACK TO THE OHIO RIVER.

The good steamer Falls City, having obtained permission from the government authorities, has gone out of the Kentucky river, and will remain in the Ohio until the locks are repaired.

If you have a baby in the house you will wish to know the best way to check any unusual looseness of the bowels, or diarrhoea of small children. O. P. M. Hollings, of Deming, Ind., who has an eleven month's old child, says: "Through the months of June and July our baby was teething and July a running off of the bowels took sickness of the stomach. His and is would move from five to twelve times a day. I had a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy in the house and gave him four drops in a teaspoonful of water and he got better at once." For sale by J. W. Gayle and South & Longmoor.

Don't miss the Shelby county Fair, at Shelbyville, Ky., August 27—four days. The horse show will be the greatest in Kentucky this year.

ASTONISHED THE EDITOR.

Editor S. A. Brown, of Benettsville, S. C., was once immensely surprised. "Through long suffering from dyspepsia," he writes, "my wife was greatly run down. She had no strength or vigor and suffered great distress from her stomach, but she tried Electric Bitters which helped her at once, and, after using four bottles, she is entirely well, can eat anything. It's a grand tonic, and its gentle laxative qualities are splendid for torpid liver." For indigestion, to relieve stomach and liver troubles, it's a positive guaranteed cure. Only 50 cents at J. W. Gayle's.

DEATHS.

LILLARD—At his home, near Lawrenceburg, on Monday morning, Mr. Ephram Lillard, sr., aged nearly 82 years.

Mr. Lillard was one of the most highly respected citizens of Anderson county—honest, upright and kindly in all the relations of life.

He leaves six daughters (Mrs. Mary Blakemore, Mrs. W. S. Farmer, Mrs. H. B. Carpenter, Mrs. W. S. Barriger, Miss Rachel Lillard and Miss Jennie Lillard), and one son (Mr. Ephram Lillard, jr.), and a large circle of relatives and friends to mourn his death.

The funeral services were conducted by Rev. W. E. Gwatkin, from the family residence, on Tuesday afternoon, at 2 o'clock, after which the remains were laid to rest in the Lawrenceburg cemetery by the side of his wife, who had preceded him to the grave.

PULLIAM—At his father's home, on Benson, August 18th, (Sunday morning), Mr. J. Edings Pulliam, aged 18 years, son of Mr. Warren and Mrs. Sallie Pulliam, of Brights disease. He leaves a father, mother, three brothers and one sister and a host of relatives and friends to mourn his death. The funeral took place on Monday morning, at 10 o'clock, at the home of his father, services being conducted by Rev. Mr. Shaw, after which the remains were buried in the Sudduth burying ground.

BRAWNER—In this city, on Wednesday night, Mrs. Katie Brawner, wife of Mr. George Brawner, of blood poison.

This is a peculiarly sad death, as, besides a little child only two years of age, she leaves a babe of only a few days.

Mrs. Brawner was a devout Catholic, and the funeral took place from the Church of the Good Shepherd on yesterday, services conducted by Rev. Father T. S. Major, and the remains were buried in the family lot in our cemetery.

To the bereft young husband our sincerest sympathy is extended.

A MINISTER'S GOOD WORK.

"I had a severe attack of bilious colic, got a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, took two doses and was entirely cured," says Rev. A. A. Power, of Emporia, Kas. "My neighbor across the street was sick for over a week, had two or three bottles of medicine from the doctor. He used them for three or four days without relief, then called in another doctor who treated him for some days and gave him no relief, so discharged him. I went over to see him the next morning. He said his bowels were in a terrible fix, that they had been running off so long that it was almost bloody flux. I asked him if he had tried Chamberlain's Colic, Cholera and Diarrhoea and he said No." I went home and brought him my bottle and gave him one dose; told him to take another dose in fifteen or twenty minutes if he did not find relief, but he took no more and was entirely cured. I think it the best medicine I have ever tried." For sale by J. W. Gayle and South & Longmoor.

PLEASUREVILLE.

Mr. James Andrew Scott was here a few days ago, consulting with Mrs. Bush, whose husband was killed in Louisville by the train a short time ago.

Mr. Daniel has moved to Owen to sell goods. We are sorry to lose him.

The smashing man has turned loose like a roaring lion, with his bitter oaths and loud stamping, and says now have me arrested. Wonder if he is crazy? The good people of the town ought to be able to find out what is going on in sight of them and have it stopped.

The great faith doctor, who has been in out town for some time healing the sick without medicine, is now giving lessons to Mrs. Squire Brawner. She says she will soon be able to see patients at her home, near cemetery. All those that need medical attention call on her and be cured.

The protracted meeting commences Monday night at the Christian Church.

Mr. Will Wade is getting along nicely with the work on the new church and will soon have it completed.

Prof. Kirkpatrick and Will Mahoney will teach the high school, which opens the first Monday in September.

We have had a good rain, and it was badly needed, as every thing was burning up.

Sunday-school every Sunday morning at 9 o'clock. Come one come all.

Miss Minnie Brawner and Mr. John Kitton, of Eminence, will be married soon and go on a bridal tour to Bald Knob.

A first-class dressmaker is needed badly in this town.

Mr. Bailey's dwelling house burned down Monday morning. Defective flue the cause.

Miss Bessie Lawrence, who has been ill some time, is improving slowly.

Miss Minnie Brawner is back from her old home, Bald Knob, where she has been house cleaning for her uncle, Mr. James Sanford, who is bating at the present. She will not go back.

The town judge ought to have more judgment when right under his observation and in his hearing of cruel things that are going on, and yet he sits quietly down and does nothing to stop it.

DOES IT PAY TO BUY CHEAP?

A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the most severe and dangerous sorts of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; but if not possible for you, then in either case take the ONLY remedy that has been introduced in all civilized countries with success in severest throat and lung troubles—Boschier's German Syrup! It not only heals and stimulates the tissues to destroy the germ disease, but allays inflammation, causes easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. Recommended many years by all drugists in the world. Get Green's Prize Almanac. South, Longmoor & Co.

"Housework is hard work without Gold Dust"

Washing Willow Furniture and Wicker Chairs

Wicker chairs soon become soiled, but they can be dressed to look like new with

Gold Dust Washing Powder

and warm water. Use a scrubbing brush; when water becomes the least soiled, get fresh, follow with a soft, dry chamois cloth, and wipe dry. White iron beds also be washed by this method, but must be wiped dry quickly.
